

To strengthen our team, we are looking for a

## Project Manager (f/m/d)

Full-Time, Austria/Linz

The *Linz Center of Mechatronics GmbH* is Austria's leading mechatronics research centre. We are operating on the global stage with clients ranging from major international corporations to domestic SMEs alike.

The initiation and implementation of internationally funded projects are central tasks of the Linz Center of Mechatronics. International networking, knowledge exchange and ongoing benchmarking with top international players are an integral part of this task. We are looking for a reinforcement for our team in Linz.

### YOUR TASKS

- Independent project development and execution of new innovative projects or services
- Application and coordination of international funding projects within the company as well as with external development partners and research partners
- Coordination with national/international funding agencies and project partners
- Elaboration of new project ideas or business models and evaluation of these concepts
- Presentation contributions and moderation of expert discussions in English

### OUR EXPECTATIONS

- Successfully completed studies, ideally with a focus on innovation management, min. 3-5 years of experience
- Excellent networker
- High talent for the formulation of English texts
- Exceptionally experienced with MS Office and collaboration tools
- Great interest and experience in the field of digitalisation and ICT
- Experience in the field of creativity techniques
- Funding project management or funding application preparation
- Independent and structured way of working
- Strong communication and team skills
- Creative personality with a strong focus on goals and results
- Presentation competence and ideally moderation experience

### OUR OFFER

- Great creative freedom
- Good professional training and development opportunities
- Flexible working hours, generous home office arrangement and a pleasant working atmosphere
- Market-compliant, performance-oriented remuneration (at least € 3.800,-, 14 times a year for full employment. The actual salary depends on the applicant's qualifications)

We are looking forward to receiving your online application by 31.8.2021 at <https://www.lcm.at/en/career/>
